What on Earth

Is the reason people will not, can-
not, or do not see any difference in
cheapness of trams put up by Cheap
John houses or irresponsible parties
at enormous profits, rather than
take a medicine of world wide repu-
tation and one that is giving uni-
versal satisfaction at equal price?
No medicine in the world is giving
such unparalleled satisfaction for
purifying the blood as BEGG'S
BLOOD PURIFIER & BLOOD
MAKER, and every bottle that
does not do its work, will cost you
nothing. W. H. Chedie, Druggist

How Can Parents

allow their children to cough and
strain and cough and calmly say:
"Oh! it's only a little cold," and
keep giving them cheap and dan-
gerous medicines, until they are
down with lung fever or con-
sumption, when they can be so
easily relieved by BEGG'S CHER-
RY COUGH SYRUP? It has no
superior and few equals. W. H.
Chedie, Druggist.

ser and Plaza streets, immediately

Sunday's Examiner contains a

City's Disgrace," and signed "An-
nie Laurie." People who saw it

it has any reference to the "Annie

The reason why public business
of that character should be with-
held from the people of the country
would be of interest to the folks up

CATTLE DEAD.—The Tuscarora
times of the 17th inst. says: It is
estimated that there are at least
1000 carcasses of cattle lying in the
snow at Independence Valley,
which perished since the commence-
ment of the last storm. If the
snow was not so deep as to make it
difficult to get around in the valley
there would be a handsome profit in
collecting the hides.

THE GREAT NELLIE BLY.—Nel-
lie Bly's wonderful story in the
Family Story paper is the talk of
the day. In towns where there
are no newsdealers the Family
Story Paper will be sent to any ad-

the recent blockade, F. McKee, the

the company during their entire
stay there were the worst
growlers.—Gazette.

THE TIGRESS.

At the Opera House Friday night the ever popular artist, Joseph R.
Grismer, Phoebe Davies, with their excellent company will present their
latest success "The Tigress" a dramatization by Ramsay Morris from his
novel "Crucify Her." The San Francisco Chronicle says:

Mr. Grismer presented last night at the Bush Street theatre, before
a good audience, his latest acquisition, "The Tigress." The play is the
dramatization of a book which has attracted attention under the title of
"Crucify Her." It is a society melodrama of the vigorous and powerful
class with some strong situations and a good deal of exciting dramatic
futer. Miss Davies has the part of the flower girl, who goes through
various processes of dramatic evolution, and of both the suffering and the
defiant sides of it she makes the most. Isabel Archer plays the Tigress
and the displays for its intelligence most promising. Mr. Grismer has a
part which has little to do with the dramatization, but he puts a good
deal of character into it, and keeps himself before the audience as one of
the features.

NOT AN EXPERT.—The editor of
the Georgetown, Cal., Gazette,
started out to deliver his papers last
Friday on snowshoes. He slid so
far into a deep cut that it took two
hours to dig him out.

Silver.

New York, Jan 31.—A private
cable brings information that the
Bank of England is about to use
silver to the extent of one-third of
its reserve and issue £1 notes in
silver against it. The bank, it is
reported, has already purchased
£3,000,000 of silver bullion in an-
ticipation of this action.

Cough! and Cough! and Cough!!

What in the world is the reason
you will cough and keep coughing
and still keep trying inferior medi-
cines when BEGG'S CHERRY
COUGH SYRUP will positively re-
ceive your cough at once? This is
no advertising scheme, but an ac-
tual fact, and we guarantee it. W
H. Chedie, Druggist.

ADVICE TO MOTHERS.—Mrs.
Winslow's Soothing Syrup
should always be used for children
teething. It soothes the child, soft-
ens the gums, allays the pain, cures
wind colic, and is the best remedy
for diarrhoea. Twenty five cents a
bottle.

Language is hardly strong enough
to express my admiration of the
merits of Chamberlain's Cough
Remedy. It is the best remedy for
croup and whooping cough I have
ever used. During the past eigh-
teen years I have tried nearly all
the prominent cough medicines on
the market but say, and with
pleasure too, that Chamberlain's
Cough Remedy is the best of all.
THOMAS RHODES, Bakersfield, Cali-
fornia, For sale by G. C. Thaxter.

The fact has been abundantly
proven that Chamberlain's Cough
Remedy is the most prompt, most
reliable and most successful medi-
cine yet discovered for acute throat
and lung diseases, such as croup,
colds and croup. For sale by G.
C. Thaxter.

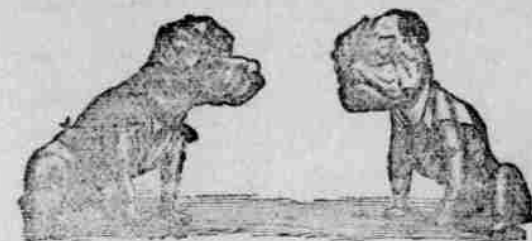

While Will Wright is still with
Peterson, at the gallery over Thax-

paid to enlarging of portraits. Mr.
Peterson has done some very fine
work in this line, which can be
seen at the gallery. The public is
invited to call and inspect same. j29tf
